It is respectfully requested that the Oral Hearing currently scheduled for August 4, 2009 at 09:00 AM by rescheduled for late September, 2009. The reason for this request is that my daughter is getting married in California the week of August 3, 2009. I intend to travel from Kansas City, Missouri to California during that week and would be greatly appreciative if the Board could grant this request so that I could attend my daughter's various wedding functions. If late September creates any kind of problem with the Board and/or the Examining Attorney, I am certainly willing to agree to an alternative date that hopefully does not conflict with the abovementioned wedding plans.

Respectfully submitted,
